Re: Office action dated 3/26/07 regarding U.S. patent application number 10/730,906

Dear Sirs:

This letter is responsive to the office action dated 3/26/07 (copy attached) regarding U.S. patent application number 10/730,906, and to the notice of abandonment mailed 10/5/2007 regarding the same patent application.

Attached please find US PTO form PTO/SB/64 Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b), and the requisite fee. Attached also please find form PTO/SB/80 to update power of attorney and address for correspondence that of PTO customer number 28731.

Claim rejections under 35 USC § 112:

The examiner rejects claims 1-11 under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 1-11 have been appropriately amended to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Amended claims 1-11 are attached.

Claim rejections under 35 USC § 101:

The examiner rejects claim 1-11 under 35 U.S.C. 101 as being drawn to non-statutory subject matter and being directed to nothing more than abstract ideas. Claims 1-11 have been appropriately amended to be statutory method and apparatus claims.

We submit that claims 1-11 are now patentable.

We have attached an amended set of claims, a copy of the above-referenced office action and a check in the amount of \$770 for reinstatement of an unintentionally abandoned patent application, with small entity status claimed.

Sincerely

Lee Weinstein, Registration #56,261

Certificate of express mailing: I certify that this document including the attached amended claims, check for \$770, petition to revive an unintentionally abandoned patent application, change of power of attorney, and copy of the related office action were deposited with the US Postal Service as Express Mail, post office to addressee, June 17, 2008, express mail label number EB 746457595 US.
